Women's Club Presidents To Discuss Building Plans

Heads of 200 Organizations Are Invited to Meet at Plaza Wednesday to Outline Construction of \$5,000,000 National Clubhouse for Members

Invitations have been issued to presidents of two hundred women's clubs for a large tea at the Hotel Plaza on Wednesday afternoon to discuss fully the various interests concerned in the building of the \$5,000,000 Women's National Club. A number of special guests also will be present. This will be the most interesting and far-reaching meeting of the week, and will bring together prominent club women of the city and state.

A meeting of the directors was held last week at the Plaza, and it was decided to construct the hotel, which will be founded under the auspices of the Federation of Women's Clubs, in the district between Forty-fifth and Fifty-ninth streets, between Fifth and Sixth avenues, and work on it will be begun next fall. It will be fifteen to twenty stories in height, and will contain an auditorium and ballroom, gymnasium, swimming pool, restaurant, private dining rooms and bedrooms, which will be rented to club women for \$3 a night. Initiation fees probably will be \$25 and yearly dues \$25.

The women's clubs in Alaska have taken a lively interest in the restoration of Theodore Roosevelt's birthplace, and through their splendid cooperation are doing their part toward making Roosevelt House a truly national memorial.

The work in South Dakota is headed by the state president of the Federation of Women's Clubs, and in North Dakota by the treasurer of the state federation. In Idaho and New Jersey the women's clubs are assisting the state chairmen to raise the quotas assigned to their respective states.
